and Fire Report

Mercyhurst University: North East Campus

The Mercyhurst University North East Campus consists of 17 buildings on about 84 acres of land in North East, Pa. The campus is bordered to the north by Sunset Drive, to the south by West Division Street, to the east by Lake Street, and to the west by North Pearl Street. The North East campus also includes a number of outbuildings to the northwest of the university. A Public Safety Institute and Licensed Practical Nursing building located at 5999 Station Road and a swimming pool building located at 43 North Lake Street.

There are about 180 students, out of a total of more than 829, living on the Mercyhurst North East campus, and there are approximately 96 full-time and 66 part-time employees.

State and Federal Campus Security Acts

In late 1987, the Pennsylvania House of Representatives enacted House Bill 1900, which was signed into law on May 26, 1988 as Act 73, "The College and University Security Information Act." In general, Act 73 requires each college and university in Pennsylvania to compile information regarding campus crime and to publish information concerning campus security policies, procedures, and programs. This state law also requires campuses to report crime statistics to the Pennsylvania State Police in accordance with the Uniform Crime Reporting Act, and then to make the reported statistical information available to those who request it. In 1990, the Federal Statute, PL 101-542, known as "The Student Right to Know and Campus Security Act," now known as the "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act," was enacted, and has generally the same requirements as the state law.

The federal act, however, requires that crime statistical information be provided to the United States Department of Education on an annual basis. All students and employees, and prospective students and employees, must be advised that this information is available, and university security policies and procedures must be published and provided to all students and employees on an annual basis.

Mercyhurst University recognizes its responsibility to comply with state and federal law. Questions and/or complaints regarding compliance with these acts may be addressed to the Department of Police and Safety, Chief of Police, Mercyhurst University, Erie PA, 16546, or by calling Chief D.J. Fuhrmann at (814) 824-2104 (e-mail: dfuhrmann@mercyhurst.edu)

Mercyhurst North East Campus: Police and Safety Department

The Mercyhurst University Security Department was founded in 1971, and in August 1998 became the Department of Police and Safety. Today, the department remains committed to its original mission of providing a safe and secure environment for the entire Mercyhurst University community. The Mercyhurst University Department of Police and Safety is comprised of A Chief of Police, Deputy Chief, Patrol Lieutenant, Patrol Sergeant and Patrol Corporal along with 5 full-time, 3 part-time officers, and 2 full time Safety Officers. Of this 2 full time and, 1 part-time police officers and, 2 full time safety officers are assigned to the North East Campus. In 2013 our Police department acquired a K-9 unit which is used for the community as an explosives, ballistics, and tracking detection officer.

Communications officers are assigned to the camera, emergency alarm center, and communications center located in the department's Police and Safety office at Erie campus. There is a minimum of one police and one communications officer on duty-24 hours a day, 365 days a year.

The Chief, Deputy Chief, Lieutenant, Sergeant, Corporal, and Police Officers are Act 120 trained, or have the equivalent training required by state law to be certified as sworn police officers. These officers are sworn and have full arrest powers on all property owned or controlled by the university, and on all public property adjacent to the campus. A close liaison is maintained with the North East Borough Police and the Pennsylvania State Police.

Mercyhurst University safety officers are not police officers and therefore do not have law enforcement authority, including powers of arrest. They are, however, governed by the same rules, regulations, and standard operating procedures (SOP), and perform the same duties as the university police officers.

In major incidents or investigations, the North East-Borough Police and the Pennsylvania State Police will assist the Mercyhurst University Police and Safety Department. If requested, these departments will assume entire responsibility for the incident and/or investigation

Weapons are not permitted on the Mercyhurst University campus. Mercyhurst University Police officers are armed, but may carry non-lethal weapons, such as pepper-spray or expandable batons if they are properly trained in their use.

The Mercyhurst University Department of Police and Safety strives to create an environment that is conducive to good living and learning by supporting the Mercyhurst University mission, and by recognizing the individual's right to pursue their personal goals. The Mercyhurst University Police department enforces state, federal laws and Mercyhurst University rules and regulations, and at the same time strives to protect the rights of each and every individual.

Reporting Crime

Any person who is the victim of a crime, either on or off campus, is encouraged to report the incident to the appropriate law enforcement agency. Victims and witnesses are encouraged to report crimes on a voluntary, confidential basis. Campus pastoral counselors and campus professional counselors, when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. However, they are encouraged if and when they deem it appropriate to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

1. The university reports crimes occurring on campus to state and federal authorities as required by law. The Mercyhurst University Department of Police and Safety can be reached 24 hours a day, 365 days a year at (814) 824-2304. Confidential reporting procedures

If you are the victim of a crime and do not want to pursue action within the university or criminal justice system, you may still want to consider making a confidential report. With your permission, a member of the Police and Safety Department can file a report on the details of the incident without revealing your identity.

The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the university can keep accurate records of the number of incidents involving students to determine where there is a pattern of crime with regard to a particular location, method, or assailant and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the university.

Additionally, an alternative way to report crime anonymously via the Internet is available by going to *my.mercyhurst.edu*, log in and click on the “Police and Safety” tab. The silent witness form can be found under the services heading. The form is on the left side of the screen under the *Police and Safety Links*. It can be filled out and submitted electronically to Chief Fuhrmann.

Monitoring Criminal Activity At Off Campus Sites

Mercyhurst University does not have any off-campus student organizations recognized by the University that are engaged in activities by Mercyhurst University students. Nor does Mercyhurst University have any off-campus housing facilities. The campus does, however, maintain a close relationship with state, city, and municipal law enforcement agencies having jurisdiction on Mercyhurst University campus and in areas surrounding the campus. Formal requests are made of each of these agencies for annual crime statistics.

Policies

Drug Policy

Municipal ordinances, state, and federal law govern all matters relating to drugs. It is the university's policy as well to adhere to all municipal, state, and federal laws, including those governing the use of drugs. Mercyhurst University does not condone the medically unsupervised use, possession, sale, manufacture, or distribution of illegal drugs or drug paraphernalia.

When such activity occurs on campus, the university shall initiate appropriate measures, which may include disciplinary action. When such activity occurs off campus, the university may consider disciplinary action if the university determines that the activity has a substantial adverse effect upon the university or members of the university community. Violators will be subject to penalties, which may include separation from the university. In addition, the university may report such matters to the appropriate enforcement agencies for criminal disposition.

1. Residents are responsible and accountable for the behavior of their guests and will be sanctioned if their guests violate the drug policy.
2. Any violation of the drug policy will result in the confiscation of any related paraphernalia.

Alcohol Policy

In keeping with the university mission statement that "Mercyhurst is a Catholic institution... dedicated to the lifelong development of the whole person," we affirm the posture of the university to uphold the legal requirements of the Commonwealth of Pennsylvania in regard to the possession, transportation, consumption, and distribution of alcoholic beverages. Furthermore, we recognize our moral obligation to ensure the well-being of each member of the Mercyhurst community by taking whatever steps necessary to discourage and prevent the wanton and reckless and illegal consumption of alcohol that may render short term and/or long-term harm to the consumer, or to a neighbor, and to the physical premises of this campus. In order to accomplish this goal, the following guidelines and rules and regulations are set forth:

Legal Requirements

As residents of Pennsylvania and members of the Mercyhurst community, students have a right to be informed of the law and have a responsibility to obey the law, including the following: Section 6308 of the Pennsylvania Crimes Code states, "A person is guilty of a summary offense if being less than 21 years of age, attempts to purchase, purchases, consumes, possesses or transports any alcohol, liquor, or malt, or brewed beverages." Section 493 of the Pennsylvania Liquor Code states, "It shall be unlawful for any person, to sell, furnish, or give away liquor or malt or brewed beverages, or to permit any liquor or malt or brewed beverages to be sold, furnished or given, to any person visibly intoxicated,... or to any minor, or to habitual drunkards, or persons of known intemperance habits.

"The Supreme Court of Pennsylvania stated in the case of *Congini v. Portersville Valve Co.*, 504 Pa. 157, 470 a. 2d. 515 (1983) that social hosts are negligent per se in serving alcohol to the point of intoxication to a person less than 21 years of age, and they can be held liable for injuries proximately resulting from the minor's intoxication. That liability can extend to include claims for injuries to the intoxicated minor.

University Requirements

Municipal ordinances, the Pennsylvania Liquor Code and related state statutes and federal law govern all matters relating to alcohol. The drinking age in the state is 21. No person under the age of 21 is permitted to consume, transport, or possess any alcoholic beverages. As a member of the student body one is required to observe municipal, state, and federal laws. It is the university's policy as well, to adhere to all municipal, state, and federal laws, including those governing the use of alcohol.

Sexual and Other Harassment Policy

Mercyhurst University believes that everyone is entitled to equal opportunity regarding all aspects of his or her involvement with the university. It is therefore necessary that all members of the university community ensure that no individual or group is discriminated against due to race, color, creed, sex, sexual orientation, age, national origin, ancestry, marital status, physical and mental handicap, education, or any other condition. The university does not and will not tolerate harassment, sexual or otherwise, of any kind by any member or members of the faculty, administration, staff, or student body.

While the university subscribes to federal and state laws, which declare harassment to be unacceptable and illegal conduct, its policy is also predicated on the moral truth that all individuals are entitled to be treated with dignity and to be free from unwelcome physical and verbal intrusions to their bodies and to their minds.

The Mercyhurst University Title IX Coordinator is responsible for developing policy regarding sexual harassment on campus. An offender is always subject to university discipline. However, the Title IX Coordinator, along with campus advocates, also ensures that proper counseling and safeguards are available to victims of any type of sexual harassment or assault.

Various information sessions are provided to incoming students regarding the serious nature of and potential disciplinary action, and/or criminal charges that can result from any form of sexual harassment or assault. The Title IX Coordinator for Mercyhurst University is Alice Agnew. Her office address is Old Main 300 (Erie Campus), and her telephone number is (814) 824-2362. Ms. Agnew can provide assistance regarding information and consultation, resolution of informal complaints, and the filing of formal complaints. Discussions with the office of Mercyhurst University Counseling Services North East (725-6136) are completely confidential.

Sexual Assault Policy

Notification is hereby provided that the Sexual Assault Victims' Bill of Rights (the Ramstad Amendment) includes the following provisions:

- Both accuser and accused have the right to have others present (in support or advisory roles) during a campus disciplinary hearing;
- Both parties have the right to be informed of the outcome of any disciplinary hearing involving sexual assault;
- Students have the right to be informed of their options to notify proper law enforcement authorities, including on-campus and local police, and the option to be assisted by campus authorities in notifying such authorities if the student so chooses;
- Survivors have the right to be notified of available counseling, mental health or student services for victims of sexual assault, both on campus and in the community; and
- Students have the right to be notified of their options for, and available assistance in, changing academic and living situations after an alleged sexual assault incident, if so requested by the victim and if such changes are reasonably available.

What to Do If You Are a Victim of Improper Sexual Conduct

1. If you need assistance, you should contact a resident assistant, police and safety officer, or counselor to discuss the procedures you wish to follow.
2. Do not change clothes or shower.
3. Go to the hospital for treatment of injuries, a medical examination, and a collection of evidence of sexual assault.
4. Determine whether you would like to pursue action either through the university judicial system or the criminal court system or both. The university will assist you in notifying the appropriate university personnel and the local law enforcement agency to accomplish this.
5. Seek counseling to help cope with what has occurred.
6. Report the crime to the Mercyhurst University Police and Safety Department at 725-6103. If you do not wish to report the incident to the police, or are unsure as to what you want to do, you should contact the director of the North East Counseling Center at 725-6136.

Victims are encouraged to contact local law enforcement to report incidents of sexual assault

Title IX

In accordance with Title IX of the Education Amendment Act of 1972, Mercyhurst University prohibits discrimination based on sex in its educational and athletic programs, as well as in extracurricular activities sponsored by the University. This includes a prohibition against any type of gender based sexual harassment, discrimination, or violence. To ensure compliance with Title IX and other federal and state civil rights laws, the University has developed policies and procedures that prohibit sex discrimination by any members of its community including students and employees.

Definitions/Terminology:

Stalking - means a course of conduct directed at a specific person that would cause a reasonable person to fear for their or others' safety, or to suffer substantial emotional distress.

Dating violence - means violence by a person who has been in a romantic or intimate relationship with the victim. Whether there was such relationship will be gauged by its length, type, and frequency of interaction.

Domestic violence - includes asserted violent misdemeanor and felony offenses committed by the victim's current or former spouse, current or former cohabitant, person similarly situated under domestic or family violence law, or anyone else protected under domestic or family violence law.

Consent - involves explicit communication and mutual approval for the act in which the parties are/were involved. A sexual encounter is considered consensual when individuals willingly and knowingly engage in sexual activity. The absence of "no" is not a "yes".

Please note: The use of alcohol or drugs will never excuse behavior that violates this policy.

Sex Discrimination - any behaviors or actions that deny or limit a person's ability to benefit from, or fully participate in the educational programs, activities or employment opportunities because of a person's sex.

Sexual Harassment - any unwelcomed conduct of a sexual nature that includes unwanted sexual advances, requests for sexual favors, and other visual, verbal, non-verbal, or physical conduct of a sexual nature when:

- (1) Submission to such conduct is made a term or condition of employment or educational relationship;
- (2) Submission to or rejection of such conduct is used as a basis for employment or education decisions affecting the individual; or
- (3) Such conduct has the effect of unreasonably interfering with a student's or employee's work performance or creating an intimidating, hostile, or offensive working, educational, or living environment.

Sexual Misconduct - encompasses any sexual behaviors that violate Mercyhurst University's Code of Conduct and/or Title IX policy. In general, any nonconsensual physical contact of a sexual nature may constitute Sexual Misconduct.

Complainant - a person who initiates the complaint process

Respondent - a person against whom a complaint is filed

Witness - a person that is present during an incident that violates the Title IX Policy

Non-Retaliation Policy

Mercyhurst University strictly prohibits retaliation against any person for using this reporting procedure, or for filing, testifying, assisting or participating in any manner in any investigation or proceeding involving allegations of sex discrimination. Any person who violates this policy will be subject to discipline, up to and including expulsion.

Title IX Investigations

- Once a complaint has been filed, an Investigator will be appointed.
- The Investigator will conduct an investigation related to the incident. Individuals involved (complainants, respondents, and witnesses) will be contacted as part of the investigation.
- Parties will meet individually with the Investigator.
- Upon conclusion of the investigation, and in accordance with the Title IX Policy, the administrator or the hearing panel will recommend one of the following actions:
 - No further action to be taken at this time,
 - Refer to an administrative hearing, or
 - Refer to a hearing panel.
 - The administrator or the hearing panel will determine:
 - If a violation occurred,
 - The nature of the violation, and
 - The appropriate response.
 - Both the complainant and respondent will be notified of the administrator's and the hearing panel's decision and both have the right to appeal.
 - Confidentiality will be respected to the degree permitted by Title IX regulations.

Title IX Hearing Information

- Mercyhurst University aims to have all investigations complete within 60 days from receipt of the complaint.
- Mercyhurst University may take interim measures to ensure that all involved parties are not interacting with each other. These measures may include, but are not limited to: adjusting class schedules, making alternate housing arrangements, issuing “no contact” orders to all involved parties, and possible interim suspension of the respondent.
- Mercyhurst University ensures an equitable process, where both complainant and respondent will be afforded an opportunity to present relevant witnesses and other evidence.
- The complainant and respondent will be afforded similar access to information used at the hearing.
- No direct cross-examination is permitted during the investigation, hearing or appeal process. At the discretion of the board, advocates may accompany involved individuals but may not participate at the hearing.
- The Title IX Board will use a preponderance of evidence as the standard of proof (i.e. more likely to have occurred than not to have occurred).

Notifying the Mercyhurst University Police and Safety Department

In addition to notifying a member of the Mercyhurst University administration of improper sexual conduct, we strongly encourage students who are victims of improper sexual conduct to cooperate with North East Borough Police or the Pa. State Police to bring about a prosecution in the criminal court system. All sexual assaults and other serious offenses will be investigated by the North East Borough Police Department or the Pa. State Police with the cooperation and assistance of the Mercyhurst University Department of Police and Safety.

When an incident of sexual assault is reported to a university employee and the victim is willing to make a formal complaint to the Mercyhurst Police and Safety Department or the law enforcement department having jurisdiction, the employee should:

1. Contact the Mercyhurst University Police and Safety Department at (814) 725-6103, or any other campus security authority.
2. The Police and Safety Department will:
 - a. Advise the victim that the North East Borough Police Department or Pa. State Police will be contacted and will investigate the incident and make a determination as to what charges will or will not be filed. Police and Safety will also advise the Title IX Coordinator who will take independent disciplinary action as needed;
 - b. Arrange to transport the victim to an approved rape treatment center for medical treatment;
 - c. Notify the victim of their option of access to existing counseling services on campus and in the community;

If the complainant does not want to report the incident to the police, or is unsure what they want to do, the university employee should:

1. Contact the Counseling Center at campus telephone extension 725-6136.
2. As of April 2011, under Title IX of the Education Amendment of 1972 an investigation is to be completed.
 - The investigation will be conducted by our Title IX Coordinator through residence life.
3. Contact the Title IX Coordinator

Formal Complaint Process

Allegations and complaints of any type of harassment must be reported as soon as possible and should be made in writing to the Title IX Coordinator. The complaint process will follow the specific guidelines set forth below. If a charge of harassment cannot be resolved through informal procedures, or if a person who believes he or she has been harassed wishes to pursue formal procedures, the complainant may choose to utilize a more formal process.

Investigation

Investigation into a sexual harassment allegation will be headed by the Title IX Coordinator or designee. All parties and witnesses and any other persons who may have information that would help settle the matter would be interviewed separately. When at all possible, all persons who could corroborate one another's stories will be called in to make statements simultaneously, so that outside corroboration cannot take place.

Hearing Process

In cases where there will be an administrative hearing or a hearing panel, every effort will be made to provide a hearing as soon as feasible following the conclusion of the investigation. Whenever possible, the complainant and respondent will be given at least 7 calendar days' notice to prepare for the hearing. The hearing is a closed proceeding and only the complainant, respondent, and relevant witnesses are permitted to attend. One advocate (parent, attorney, counselor etc.) may accompany involved individuals, but may not participate at the hearing.

The Complainant's and the Respondent's rights during the hearing process include:

- An explanation of the changes and the available options for remedy,
- Freedom from harassment by the respondent (or supporters),
- Use of all available internal and external support services in dealing with the aftermath of the offense,
- An explanation of the University discipline system,
- The ability to speak on their own behalf during the proceedings,
- An opportunity to present witnesses who can speak about the charges, character witnesses excluded,
- Testify on his/her own behalf,
- Freedom from having irrelevant sexual history considered during the hearing,
- Information about the outcome of the hearing,
- An opportunity to appeal the outcome of the hearing,
- An opportunity to review the documents and materials presented during the hearing,
- Documents will be redacted, removing the identifiable information of another student, in accordance with FERPA, and
- The right to a non-adversarial hearing in which neither the complainant nor the respondent will have the opportunity to ask the other questions. Typically, neither will be present in the room at the same time.

The Hearing Procedure

The Hearing Panel will have the opportunity to thoroughly review the investigative report and documentation submitted by the investigator prior to the hearing. The general course of the hearing procedure will be as follows:

- Complainant statement,
- Questions to the complainant,
- Closing statement by complainant,
- Respondent statement,
- Questions to the respondent,
- Closing statement by respondent,
- Witness testimony and questioning (if the hearing panel determines it is necessary),
- Clarification from the investigator (if the hearing panel determines it is necessary), and
- Opportunity to follow up with any party.

The panel may impose time limits on any stage of the procedure. The panel may determine the relevance of and place restrictions on any witnesses or information presented. When the complainant and respondent are not able to be present for the hearing panel, arrangements will be made for the parties to participate via alternate means (phone, Skype, etc.). In cases where the respondent and/or complainant have chosen not to participate in the hearing procedure, the panel will commence and hear from the party (if one exists) who has chosen to participate in the process.

At the conclusion of the hearing process, the University will provide written notification to the parties involved of the outcome and resolution of the hearing within seven calendar days. Once written notification of the resolution has been received, the parties involved will have the opportunity to appeal the findings. The appeal should be submitted in writing to the Title IX Coordinator within seven calendar days of the date of the written decision notification.

Due to the extensiveness or complexity of the issues of an investigation, more time may be needed to complete a thorough and equitable investigation. In those cases, the complainant and respondent will be advised in writing that additional time is required.

Consequences and Possible Sanctions

Not all forms of sexual misconduct will be deemed to be equally serious offenses, and the University reserves the right to impose differing sanctions, ranging from a verbal warning to expulsion, depending on the severity of the offense. The University reserves the right to take whatever measures it deems necessary in response to an allegation of sex discrimination in order to protect the individuals' rights and personal safety. Such measures include, but are not limited to:

- Reprimand /warning,
- Modification of living arrangements,
- Counseling assessment,
- Social or Disciplinary probation,
- Removal from University housing,
- Suspension,
- Expulsion, and/or

www.pameganslaw.state.pa.us

An e-mail request may then be submitted to the Pennsylvania State Police for information regarding registered sex offenders.

Emergency Response and Evacuation Procedures

The emergency will be evaluated by the correct members of the Emergency Response Team. The correct emergency level will be assigned. If a Level I or Level II emergency exists, the members of the Emergency Response Team will determine whom to notify and how. **INITIAL EMERGENCY COMMUNICATIONS WILL BE SENT IMMEDIATELY AND CONVEY ONLY THE MOST CRITICAL INFORMATION.**

Missing Person Policy

The purpose of this policy is to establish procedures for the university response to reports of missing students, as required by the Higher Education Opportunity Act of 2008.

This policy applies to students who reside in on campus housing.

For purposes of this policy, a student may be considered to be a “*missing person*” if the person’s absence is contrary to their usual pattern of behavior and unusual circumstances may have caused the absence. Such circumstances could include, but not be limited to, a report or suspicion that the missing person may be the victim of foul play, has expressed suicidal thoughts, is drug dependent, is in a life-threatening situation, or has been with persons who may endanger the student’s welfare.

I. Procedures for designation of emergency contact information

a. Students age 18 and above and emancipated minors:

Students will be given the opportunity during each semester registration process to designate an individual or individuals to be contacted by the university no more than 24 hours after the time that the student is determined to be missing in accordance with the procedures set forth below. A designation will remain in effect until changed or revoked by the student. This designation will be held confidentially over the course of this time. If it is not immediately clear to the Office of Police and Safety if a minor is emancipated, they will be treated as a student who is not an emancipated minor addressed below.

b. Students under the age of 18:

In the event a student who is not emancipated is determined to be missing pursuant to the procedures set forth below, the university is required to notify a custodial parent or guardian and any designated contact person no more than 24 hours after the student is determined to be missing in accordance with the procedures set forth below.

II. Official notification procedures for missing persons

- a. Any individual on campus who has information that a resident student may be a missing person must notify the Office of Police and Safety as soon as possible. Note: In order to avoid jurisdictional conflicts when an off-campus and/or commuter student is believed to be missing, the reporting person should immediately notify local law enforcement authorities. The Office of Police and Safety will assist off campus authorities with these investigations as requested.
- b. The Office of Police and Safety will gather all essential information about the resident student from the reporting person and from the student's acquaintances (description, clothes last worn, where student might be, who student might be with, vehicle description, information about the physical and mental wellbeing of the student, an up-to-date photograph, class schedule, etc.). Appropriate campus staff will be notified to aid in the search for the student.
- c. If the above actions are unsuccessful in locating the student or it is immediately apparent that the student is a missing person (e.g., witnessed abduction), the Office of Police and Safety will contact the appropriate local law enforcement agency to report the student as a missing person and the local law enforcement agency will take charge of the investigation.
- d. No later than 24 hours after determining that a resident student is missing, the Assistant Vice President of Student Life will notify the emergency contact (for students 18 and over) or the parent/guardian (for students under the age of 18) that the student is believed to be missing.

III. Campus communications about missing students

- a. In cases involving missing persons, law enforcement personnel are best situated to provide information to the media that is designed to elicit public assistance in the search for a missing person. Therefore, all communications regarding missing students will be handled by outside law enforcement authorities, who may consult with the university Office of Public Relations. All inquiries to the university regarding missing students, or information provided to any individual at the university about a missing student, shall be referred to the Office of Police and Safety, who shall refer such inquiries and information to law enforcement authorities.
- b. Prior to providing the Mercyhurst University community with any information about a missing student, the Office of Public Relations shall consult with the Office of Police and Safety and with local law enforcement authorities to ensure that communications do not hinder the investigation.

Security, Safety and Crime Prevention Programs

Safety and security issues are reviewed during resident assistant training, freshman orientation, and other meetings in an effort to foster a trusting and productive relationship with students and staff. Additional programs include:

- A handout is given to each freshman resident student detailing various precautions students can take to lessen their chances of being a victim of a sex offense.
- Resident assistants participate in extensive training from the Crime Victims Center, and the college Counseling Center that addresses these issues and how the resident assistants should respond when dealing with someone they suspect has been a victim of a sexual offense.
- New resident assistants attend an on-going training class through the first term that addresses safety and security issues.
- During mandatory meetings, resident assistants and assistant directors discuss various precautions students should take to lessen their chances of becoming a victim of a sex crime or other offense.
- In September, as a part of Welcome Week, the Student Activities Council sponsors a program titled Hypnotic Intoxication which features an alcohol consumption, behavior and responsibility for self and friends lecture and the actual hypnotism of several students who then act out many alcohol related behaviors.
- In October, during National Collegiate Alcohol Awareness Week, Campus Involvement Center coordinates and co-sponsors a week-long series of events. The week is comprised of speakers, events and activities geared at educating students on topics such as alternatives to alcohol consumption, the effects of consuming alcohol, recognizing alcohol related problems and abuse, and what to do/how to react when alcohol problems and abuse arise.
- In March, during Women's History Month, information is provided and programs offered regarding mental and physical health and well-being. Also, a wellness Fair is held in collaboration with several offices and academic departments to inform students on the seven dimensions of health.
- Throughout the year, workshops are randomly scheduled on subjects such as self-defense, date rape, crisis response, and conflict management.

Drug and Alcohol Abuse Education Programs

During the fall term, each incoming residential and commuting freshman student is required to take *Alcohol-Wise*, an online alcohol prevention course. Freshman students must earn at least a 75 percent on an exam at the end of the course as well as complete a follow up module 30 days following the completion of the exam. In addition to this mandatory course, freshmen take part in alcohol education and positive decision-making sessions during freshman orientation just prior to the start of the academic year. Furthermore, students found in violation of the university's alcohol and drug policies are mandated to complete an alcohol/drug education course. Students take *Alcohol Edu for Sanctions* or "*Under the influence*" for the first time and less severe alcohol policy violations. In more severe or repeat offenses, students may be required to attend staff taught alcohol courses or participate in personal counseling to promote healthy and responsible decision making skills.

Timely Warning Policy

The Mercyhurst University Police and Safety Department will issue timely warnings to the university community whenever emergency, safety, and/or other security issues arise that pose a potential threat to students, faculty, or staff, whether the event(s) giving rise to the warnings occur on or off campus. Timely warnings may be made in any of the following ways:

1. A letter may be sent to all employees and students.
2. Information may be published in the university student newspaper (*The Chancellor*).
3. Information may be published in the university newsletter (*The Morning Buzz*).
4. Information may be displayed in the cafeteria and the student union.
5. Information may be posted on the police and safety department home page.
6. Flyers may be posted on university bulletin boards, and/or distributed by assistant housing directors and resident assistants.

Facilities

There are two residence halls located within the North East campus main structure: both are coed. There are 24 townhouses located north of the building proper, and both male and female students may occupy these apartments. Freshmen are assigned to the residence halls and townhouses using information provided by them on their submitted contract, or upon their request for a specific roommate. Upperclassmen select each other in either the residence halls with doubles or singles (on a space-available basis) or in the townhouses. Transfers are assigned according to their preferences for hall or apartment living. Changes may be made at the end of each trimester upon request of the resident and/or at the discretion of the university.

At both male and female residence halls, guests are required to check in at the desk and provide photo identification. Visits by members of the opposite sex are limited to visiting hours. Guests must be 18 years of age, or siblings of the resident, to enter the resident halls. Any visitor under the age of 18 requires parent approval and emergency contact information. All residents are informed of housing and visitation policies via the Student Handbook and during an initial meeting at the beginning of the term. Additional meetings are held and notification is sent on an as-needed basis.

Students granted permission to stay on campus during breaks having made special arrangements with the university are reminded that since there will be fewer students around they should be especially cautious. Guests may not stay on campus unless registered with the Director of Student Life, and then only for a maximum of three days. Prospective freshmen brought to campus are supervised by the admissions staff and are not permitted in regular student rooms unless they are invited.

High-pressure sodium and metal halide lamps light the campus. Police and Safety Department personnel report safety concerns to the maintenance department either immediately or on a daily basis. A continuous attempt is made to trim and/or eliminate large bushes and other obstructions around entranceways or paths. Safety hazards are corrected when discovered or reported. An emergency call box is located at the outside entrance of the main Mercyhurst North East building. Background checks are conducted on everyone hired by the police and safety and maintenance departments, and all other departments are encouraged to carefully check references and resumes of their applicants.

Access to Campus

Mercyhurst has all of its facilities open during the normal workday. Guests of the university are invited to visit specific areas. During theatrical, athletic, and other special events particular areas are open and/or available at specific times to both the general public and the Mercyhurst University community.

Daily Crime Log

The Police and Safety Department must maintain a daily crime log, which lists all crimes reported to the Police and Safety Department that are committed on campus and on public grounds immediately adjacent to the campus. The crime log must contain information concerning the nature, date, time, and general location of each crime, and the disposition of the incident, if known. The crime log for the Mercyhurst University North East campus is maintained at the Police and Safety office. Mercyhurst University students, faculty, administrators, staff, and the general public can view the crime log any time.

Student Responsibility Regarding Safety and Security

Mercyhurst University is a very safe and secure university. However, with all of the available activities on campus, it can be easy to become careless about safety and security issues. The cooperation and involvement of each member of the Mercyhurst University community in campus safety and security is critical. Community members must assume responsibility for their own personal safety and for the security of their own property, as well as the property and assets of the university. Individuals are expected to take necessary precautions to avoid being victimized. Those responsibilities include, but are not limited to:

1. Report any safety and security concerns to the Department of Police and Safety at 725-6103, or the director of administrative services at 725-6399.
2. Apartment and residence hall room doors should be locked at all times.
3. Strangers should never be allowed into apartments or residence halls. If and when a stranger is found to be wandering in and around student apartments or residence halls, their presence should be immediately reported to the Department of Police and Safety.
4. Students with cars or other vehicles must park them in designated areas as identified by color coded signs and keep them locked at all times. Valuables left in cars should be locked inside the vehicle trunk.

The Mercyhurst University Chief of Police prepares this report using the following procedures:

1. All Police and Safety Department incident and other reports are reviewed.
2. All Residence Life reports are reviewed.
3. The Daily Crime Log is reviewed.
4. The Police and Safety, Housing, and Student Affairs Departments are surveyed, as well as other individuals having significant responsibility for student and campus activities.
5. All disciplinary letters issued to students during the reporting period are reviewed.
6. A request is made to all law enforcement agencies having jurisdiction at Mercyhurst University facilities to provide information regarding incidents investigated and arrests made on Mercyhurst University property and public property within a reasonable contiguous geographic area of the university. Note also that reported crimes may involve individuals not associated with Mercyhurst University.
