## CALL FOR VIDEO

This year in celebration of Veterans Day we are soliciting content from our very own community of veterans. We want to share your stories and experiences with our followers across social media.

Here is what we're looking for in your videos:

- Introduction (who you are)
- Details of your service — what you did in the military, how many years you served, what was your favorite assignment or time in the military, etc.
- Motivation for enlisting.
- What you are doing at Mercyhurst (major/year/job/campus involvement/etc.) and what are your plans for your future

### **Recording Instructions:**

To ensure the best possible video quality, record your submissions either horizontally on your phone or by using the camera on your desktop or laptop computer. If you are recording without a Mercyhurst background, please be sure to position yourself in front of a solid-color wall or background, free of potentially distracting objects.

Before beginning your recording, check to make sure no part of your head or body is cropped out of the frame. **Please keep your videos no longer than 90 seconds.** Once you have recorded your video, email your submission to Leena Clint at [lclint@mercyhurst.edu](mailto:lclint@mercyhurst.edu). If you are unable to send your video file through email, please let Leena know and she will provide an alternative link to upload your file.

**If you would like assistance recording your submission, please reach out to Leena Clint ([lclint@mercyhurst.edu](mailto:lclint@mercyhurst.edu)) to schedule a Zoom call.**
