

All MS Applied Intelligence students must complete a minimum of 34 credits in degree requirements to qualify for graduation. A minimum 3.0 cumulative GPA is required for graduation. No course grade below C is awarded graduate credit. Nor will any student be allowed to earn credit toward degree requirements for more than a total of two graduate courses in which a C grade has been earned. Students who receive two Cs or one F may be dismissed from the program.

## Degree Requirements (34 credits)

### Required Courses (must complete all 7 courses; 21 credits)

- INTL 501 Research Methods in Intelligence
- INTL 510 Intelligence Theories and Applications
